**INFORMATIONAL BULLETIN**

**Subject:** Smith Switch Road Closure

**Date of Issue:** 09/22/10

**Informational Bulletin:** LCFR Informational Bulletin 2010-031

**Approved:**

  
Michael Lamb, Battalion Chief

On 09-21-2010 Smith Switch Rd was closed between Gloucester Parkway and Chillum Place for approximately 60 days. This closure impacts the response patterns in Box 2357, 2357M, and 2358. The run cards for these boxes have been adjusted and the new run orders are listed below:

<u>Box #</u>	<u>Temporary Due Order</u>
2357	606-623-622-618
2357M	606-623-622-620
2358	606-622-623-618

The response patterns for these boxes will be returned to their original pattern once construction has been completed the road reopens.

Any questions should be directed to the CAD Office via [LCFRCAD@loudoun.gov](mailto:LCFRCAD@loudoun.gov)
